

BRINGING QUALITY TO THE SURFACE

IRISH TAR

BITUKLEEN

User friendly and environmentally friendly asphalt equipment cleaning fluid.

- A biodegradable bitumen dissolving fluid which does not release harmful ozone depleting gases into the atmosphere.
- Principal use is for cleaning and maintaining bitumen coating plants, asphalt pavers, asphaltting tools and equipment.
- It evaporates slowly, leaving a slightly oily finish which reduces the tendency for further stickage.
- It is environmentally friendly and is made from a renewable energy source.
- It is safe to handle and does not pose any health hazards when handled in accordance with good occupational hygiene and safety practice.

Bitukleen can aid the user to comply with;

ISO 14001: 1996 Environmental Management Systems

OHSAS 18001: 1999 Occupational Health & Safety Management Systems.

Irish Tar can assist with the installation of spray stations to suit your plant.
